HOW TO READ ROUTE SCHEDULES

1 Select the timetable for the day you are travelling (weekday, Saturday or Sunday).

2 Locate the timepoint* at, or immediately before the location where your trip begins and the timepoint closest to your destination. Use the reference letters of the timepoints and locate them on the route map.

3 Find out when your bus leaves by reading the times listed below your starting timepoint on the time table.

4 Read across to find out when you'll arrive at your destination on the same line.

5 Bus is out of service at last timepoint shown.

*A timepoint is a bus stop at which buses are scheduled to depart at exact times.
