

Art Through the Lens of Wahkotowin

February 20 - April 9, 2024 | 8-weeks

Every Tuesday 4:30 - 6:30PM

Location: 2340 1 Ave. NW, Calgary

Connect and create mixed media art as a family, using the lens of culture as an inspiration. Experiment and explore through a range of digital and alternative photography techniques, and printmaking, combined with painting and drawing to create mixed media art as a means to express and explore life and Indigenous culture. Making art with your child or as a family allows opportunities for deeper connections and conversations about life, art, and culture, giving voice to your personal stories.

Families with children (Age 6 and up) or youth are welcome. Transportation assistance may be booked during registration. This program will be capped at **15 participants**.

Registration is required. Registration is ongoing.
